Dear Friends,

This letter is written to thank you in a manner unlike others, as I begin to share a dream.

Nine years ago a small chubby boy came from a hospital he was mentally challenged. This child's name is Matt. Most of you know Matt, he was the one who always wanted to say grace at most of the functions. Matt always thanked everyone

for coming to One Way Farm Children's Home. He loves his Kirby Sweeper and his Kitchen Aid Mixer.

This day was Matt's day. He giggled and laughed as he dressed in his red gown and cap for graduation. As he entered, and the music began to play, I could not compose myself and began to cry. I cried for all of you.

The child I had cared for over half his life was now leaving. He wrapped his arms around me, "I'm going to miss you Ms. Condo. You were my mother for 9 years." Matt looked up and asked, "Ms. Condo, I played with Raspberry for 7 years, she loves me, can I have her?" "Yes Matt", and I watched a dream, a boy and his dog. He waved, knelt down and looked at me and petted the dog.

A dream fulfilled by the grace of God, your part of this dream.

P.S. Matt called in less than 24 hours. "I love my dog."
